PRAY FOR AMPLIFY – FEBCANADA'S NEXTGEN INITIATIVE

Please pray for FEBCanada's Amplify initiative, asking the Lord to engage the next generation here in Canada in the work of the Great Commission by using their creative skills in music, storytelling, and filmmaking. Raise up godly creatives, volunteers, and supporters to equip and inspire others in this mission. May every broadcast and project point hearts to Jesus, transforming lives and building faith. By His grace, may this generation embrace Christ and continue spreading the Gospel for years to come.
