PRAY FOR FEBC'S MINISTRY AND STAFF IN UKRAINE

Pray for God's protection over FEBC's broadcasting ministry in Ukraine, that ongoing power outages caused by missile and drone attacks will not hinder the Gospel from being heard. Pray also for the safety of staff members who have been drafted into military service. Praise God that, despite the war, the team has remained safe and their ministry has grown stronger — expanding counseling and helpline services and launching the Embrace project to bring emotional and spiritual support to war widows.
