PRAY FOR THE MINISTRY TO THE KHMU OF LAOS

Pray for the FEBC Ethnic Languages team as they continue their ministry among the Khmu people in Laos – through daily broadcasts in the Khmu language and through youth programs. Pray for wisdom and strength for Samuel and his team as they disciple to young Khmu believers – nurturing both their faith and education. Ask God to bless listeners like Mala and Sunya with perseverance, courage, and hope as they grow in their faith and pursue a brighter future in Christ.
