PRAY FOR CHINA'S LIANGYOU PROGRAMS

Pray for FEBC's LiangYou and "Youth Buddies" team as they expand their broadcasts, for wisdom and creativity to speak truth and hope into the real-life struggles of the next generation in China. Pray that despite the many restrictions in place, the young people across China would be strengthened in faith and resilience, and that parents, pastors, and mentors would be equipped to guide them well. May FEBC's programs, digital media, and online resources continue to bring the hope and encouragement of Christ to hearts in need.
