PRAY FOR YAO-LANGUAGE MINISTRY ACROSS SOUTHERN AFRICA

Pray with us as we praise God for the incredible growth of FEBC's Yao-language ministry in Malawi, Mozambique, Tanzania, and Zambia. More than 23,200 listeners' clubs have now been established, six new churches were formed this past year, and over 1,200 people have accepted the message of salvation. Pray that the Lord will continue to strengthen these new believers, equip local leaders, and expand the reach of the Gospel among the Yao people.
