

GIVING

The Automatic Way

Save Time, Money, and Extra Costs

While providing for the Global Media Outreach of FEBC International, this Direct Giving Plan is ideally suited for the ongoing support of FEBCanada's Missionaries and Overseas Ministry Projects.

By using the pre-authorization enrollment form inside, ministry partners can make their monthly gifts to FEBCanada in the most secure, cost-effective, and convenient way possible.

Giving: The Automatic Way

The Personally Approved Giving Plan

FEBCanada's invitation to partners to join the ministry's Personally Approved Giving Plan (PAGP), continues to be met with a positive response.

Each month, new inquiries are made by ministry partners – who regularly pray, and financially support FEBC International.

Here is how the transaction works: when you enroll in the PAGP, your monthly gift is automatically deposited to FEBCanada from your chequing account on the 20th of each month ... or debited from your credit card re: your choice of the 1st or 15th of the month, until you advise the ministry otherwise.

To participate, or make changes, please fill out the perforated authorization form and return the insert to:

FEBCanada
3200-8888 Odlin Crescent
Richmond, BC V6X 3Z8

The PAGP is ideally suited for monthly support of FEBCanada's missionaries and overseas ministry projects.

As a participant, you will save yourself valuable time – as well as bank service charges, and postage costs that tend to increase each year.

PERSONALLY APPROVED GIVING PLAN FORM

Benefits and Blessings

By authorizing monthly transfers from chequing accounts or credit cards, FEBCanada partners benefit by:

- Saving time, and eliminating the need to write cheques.
- Saving money on postage, and bank service charges.
- Receiving detailed and accurate records of contributions, through bank or credit card statements.
- Choosing annual or monthly receipts from the ministry.
- Being able to make changes easily (a simple written notice is all it takes to change the amount of the gift, to

change the bank or credit card being charged, or to discontinue the gift).

- While ministry partners enjoy the satisfaction of knowing they are making an ongoing impact for the Gospel, the Personally Approved Giving Plan is also a blessing to FEBCanada – because it enables the ministry to reduce the administrative costs of processing gifts, which maximizes the value of each donation.

Faithful and committed partners, who are already participants of the FEBCanada direct giving plan, may also use the pre-authorization form to adjust their monthly giving.
